

Chop News

Chop, Nov. 29. Thanksgiving passed off very quietly here. There was not the usual hunting, as shells seem hard to get.

Our community was saddened to hear of the death of Mrs. M. E. Pugh, widow of William Thomas Pugh. She passed away quietly the night of November 25, after a lingering illness. She would have been 77 years old next month. Mrs. Pugh was the only child of James and Sue Evans Simons, and was born and reared and spent her entire married life within one-half mile of where she was born. She was a quiet, homeloving wife and mother, a fine and true friend and neighbor, ever ready to minister to

the sick and needy. She was laid to rest Friday P. M. by the side of her husband, who preceded her to the grave more than seven years ago. Funeral services were conducted by her pastor, Rev. A. J. Lawson. She leaves to mourn their loss five sons and one daughter, Dean Pugh, of Appomattox; T. E. Pugh, of Lynchburg; Marshall Pugh, of Oak Hill, W. Va.; Van Pugh, of Norfolk; Mrs. Alta Boze, of Appomattox; and Cornell Pugh, of Washington, D. C.; also four grandchildren, Mrs. Boze, Alice Pugh, Joyce Pugh, and Lynn Pugh; also a sister-in-law, Mrs. S. M. Porellie, and several nieces and nephews. Her death will be greatly missed by a host of friends, who extend sympathy to the bereaved family.

Enlist in the War Effort as an OLDSMOBILE MECHANIC

WARTIME JOB and a PEACETIME CAREER

Mechanically-minded men are needed now for auto service work. This is an essential occupation, classified as such by the Government.

TOP WAGES
Now is the time to get into auto service work. The pay is comparable with that in industrial plants. There is plenty of opportunity for extra earnings through overtime.

REGULAR HOURS
Remember, auto service work is daytime work the year around. Auto service work is interesting work—free from monotonous routine. And you'll have a chance to specialize in your favorite field—on engine, chassis, electrical and radio, bikes, or body work.

FREE TRAINING
Our service men have the advantage of a factory-engineered course of continuous training, to help them advance into higher-paying jobs. This includes practical instruction on Hydramatic Drive, the coming type of transmission for post-war cars.

POST-WAR FUTURE
Start your peacetime career now in one of these essential wartime jobs. Get in this field that is wide open for advancement now, and you'll be in a line of business that will be bigger after the war. For we're going to need more experienced mechanics than ever after Victory when driving restrictions are lifted. See us today.

Only those eligible under the War Manpower Economic Stabilization Plan need apply.
